Well here it is festival season again - so for all you pickers get out those instruments and string 'em up, get your fingers loose, get your voice right and head out to see the great Dr. Ralph Stanley and The Clinch Mt. Boys play at an outdoor festival. And lets don't forget those faithful listeners cause we couldn't do without them. So ya'll get your chairs out - the food and cold drinks and head out to support the Ralph and the boys too!

Ralph and The Clinch Mt. Boys have been pretty busy the last couple of months - seems like they're more on the road than at home. It's a part of a tough musicians life - but we sure are glad that we have them to listen to.

ARTICLE NEWS

Ralph's been getting a lot of interesting write-ups in different publications in the last couple of months and there's many more to come. The best one was in the March 8th issue of Newsweek. A whole page was dedicated to Ralph and Carter and it was an excellent article. Newsweek states the Stanley's were the rawest, most mountain - sounding of the 1st generation Bluegrass bands, and it was Ralph's piercing tenor and hard driving banjo that gave them their cutting edge. Newsweek also states Ralph the most revered figure in the world of bluegrass. Newsweek calls Saturday Night - Sunday Morning an

autumnal masterpiece by an American master. How true that is! Now that's a hard statement to beat.

Richmond Times - Dispatch had a nice write up on Ralph in their Feb. 28th paper (thanks to Dick Freeland for sending me a copy). It talks about when Ralph and Carter first started out in music in 1946 up to the present. Then it moves on to the new double CD Saturday Night - Sunday Morning telling how Country Artists like Vince Gill, Patty Loveless, Emmylou Harris, Ricky Skaggs, Dwight Yoakam and other country and bluegrass artist jumped at the chance to record with an artist they consider a hero.

Music City News will also be doing a write-up on Ralph and the new double CD in the next few issues.

WAMU Radio in the Washington DC area had a great write up on Ralph also in their program guide March/April 1993. WAMU sponsored the bluegrass concert in Fairfax, VA at the Fairfax High School April 3rd. It also talked of Ralph and Carter in the early days and told about the new double CD.

One of our newest fan club members, Joy Aurigemma, of Allentown, NJ, writes for a country music magazine called Country Music News. In April's issue she did a excellent article on Ralph Stanley and the Clinch Mt. Boys. Thanks Joy!

The Washington Post had a excellent, make that triple excellent article on Ralph Stanley March 20th. It tells of Ralph's life throughout his musical career. When reading this article one can see a side of the man that very few know. Ken Ringie (the man who wrote the article) states that Bill Monroe may be the father of bluegrass music, and Earl Scruggs its most famous son, but Ralph Stanley is surely its high priest.

STANLEY ON THE AIR

PBS (Public Broadcasting Station) radio did an interview with Ralph April 5th that will be aired sometime in the next month or so. Be sure to listen for it.

WSIG - Mt. Jackson in the Winchester, Va. area did an interview on the air with Ralph also on April 3rd. Hopefully some of you fan club members got to hear it.

ABC Radio - Hal Bruno did a excellent interview with Ralph on the air April 11 or 12 - depending on which area you live in.

Hairl Hensley of WSM Radio interview Ralph on April 22nd. He started the interview with "Mountain Folks", one of my favorites of the new double CD/tape. Ralph and Hairl talked about how the project came to be and who he wanted on the CD. They went into the cut with Ralph and Dwight Yoakam,

"Down Where The River Bends".

Ralph and Hairl discussed on how Ralph and Carter got started in Bristol, Va. on Farm and Fun Radio show. They also talked about Ralph and Carter's first TV show in 1949 on WSAZ in Huntington, WV and the early 60's for a TV show in Florida.

The next cut Hairl did was the one with Ralph, Emmylou Harris, and Judy Marshall, "Old Man's Tears". Ralph and Hairl also discussed the new single release with Ralph and Tom T. Hall - "Water Lilly". "First Step To Heaven" was next and "Angel Band" was after that. Hairl ended the set with a classic cut from the King Label days with Ralph and Carter - "Train 45" with Ralph's piercing, driving banjo.

Seems like to me this double CD is destined to be one of the best bluegrass albums out. It's getting excellent reviews and everyone that's heard it's has raved about it. So if you haven't gotten one of these be sure to put it on your list of things to buy. You can also purchase it through the fan club or you can buy it from Ralph where he's playing, and they're going fast. You can also check out your local record stores also. If they don't have a copy get them in touch with us and we'll make sure they get some.

CONCERT NEWS

Ralph and the Clinch Mt. Boys had an outstanding record breaking crowd at the April 3rd concert in Fairfax,

Va. at the Fairfax High School in Fairfax, Va. Ralph and the Clinch Mt. Boys put on one show for the people and I am told it was terrific as all Ralph's shows are. It was a sellout and they had to turn people away from the door. Now that's a crowd! You can tell who is #1! Art Stamper was on hand to play fiddle with Ralph. Schedule along with Ralph and the Clinch Mt. Boys were the Bluegrass Cardinals.

Ralph & The Clinch Mt. Boys were in Owensboro, Ky. the 14th of April at the Riverfront Center. Ralph was there to help the Reno Brothers do a video on the Nostalgia Channel for cable TV. This is similar to the family channel. Ralph and Ronnie did 2 songs on the banjo and mandolin and the Reno Bro.. joined Ralph on one. The tunes the Ralph & The Clinch Mt. Boys did were "Water Lilly", "Mt. Folks", "Rank Strangers", and "Little Maggie".

Ralph and the boys did a show in Thompkinsville, Ky on the 10th of April and it was a terrific turn out.

Mitchell Van Dyke was a special guest with Ralph that night. Mitchell was the man who filled in for Ralph playing banjo when he was out for surgery. Mitch did a banjo tune and even filled in on bass for Jack Cooke while he was out on personal business. From what Mitchell's mother said it was his first time ever played bass, but Mitch being

the man that he is he hung right in there and gave it his best.

Once again the Doctor of Bluegrass Music made a visit to Nashville to play at the Station Inn April 21st and guess who was there to greet him - Crook and Chase show of TNN. They did an excellent interview with Ralph and taped a portion of his show at the Station Inn. This was aired April 29th and I hope some of you got to see it.

Ralph put on 3 outstanding shows with great harmony and excellent music. Everyone was commenting on it was the best they had ever seen him do there.

Charlie Sizemore stopped by to sing "Little Bessie" with Ralph. Bill Monroe popped in for a few minutes to do a couple with Ralph. "On My Way Back To The Old Home" and "Sweetheart of Mine".

Shelton Frazier, that sang bass with Ralph on the "Back To The Cross" album, was also called up on stage to do a few also. "Go Tell It On The Mountain" which by the way Ralph did an excellent job of re-writing and arranging this song, "and Praise His Name". Art Stamper was also there with his fine fiddle work to twin fiddle with Curly Ray.

For the 2nd show Curly Ray and Art Stamper were both late for this one. I think this makes 21 for Ray and 1 for Art. Ralph & The Clinch Mt. Boys did our favorite songs such as "It Takes A Worried Man", "Room At The Top Of The Stairs" and "Little

Maggie". Also they did some fine cappella singing which I always look forward to. No one in the business can do this kind of singing as well as Ralph does. He puts so much feeling into it and puts it across in such a way that it will make anyone think twice about which direction their life is going. "Willing To Try" and "Children Go" were a couple that Ralph did. Also "White Oak On The Hill", which is my favorite, finished the gospel part out. Ralph finished the set out with a few request like "Gold Watch & Chain", "Rank Strangers", "Who Will Call You Sweetheart" and "Walk Softly On This Heart Of Mine".

The 3rd set was an all request show too. "Katy Daley", "All I Ever Loved Was You", "No One's Love Is Like Mine" and many more. Ralph ended the set with his famous clawhammer specials. "Mule To Ride", Rocky Island" and Shout Little Lullie". All in all it was the greatest show and Ralph really outdid himself. It takes a strong leader to keep a band tight and together and Ralph is the best at it. Thanks for a wonderful show.

Ralph Stanley and The Clinch Mt. Boys appeared at Shepherdsville, Ky at the Shepherdsville Music Barn. They were joined by Larry Sparks and The Goins Brothers, and as always it has been reported that Ralph put on an outstanding show.

Art Stamper, who is from around there was also twin

fiddling with Curly Ray. The crowd was good and they were ready for Ralph to give them a great show and that's what they got. They are big supporters of Ralph.

Ralph finished up the set with everyone coming out and doing a number of two with him. What a way to end a night - good singing and music with the Master of Bluegrass Ralph Stanley. Kentucky salutes you Ralph!

Their number to call to request your favorite Ralph Stanley tune is 901-385-4317 and yes they have the Saturday Night - Sunday Morning CD!

Remember we still have a list of DJ's that need to be sponsored. NEW BANJOS

Ralph still has the 40th Anniversary Banjos for sale. As I mentioned in the last newsletter there will be only 25 of these made and a few of them are already sold. These are a high quality banjo crafted by Frank Neat, who makes these especially for Ralph. They also have that Stanley Sound that you can't find in any other banjo. If you are interested in one of these you can contact Ralph at this address: RT HC05 - Box 576, Coeburn, Va. 24230.

NEW BANJO VIDEO

Smithsonian/Folkways has produced a video called THE BANJO OF RALPH STANLEY - taught by Ralph Stanley himself. This tape starts with the first tunes that Ralph learned from his mother in the old-time clawhammer style to the three finger style that Ralph now plays that we all know and love as the Stanley banjo style. Some of the tunes on the tape, along with the Clinch Mt. Boys backing Ralph, are Little Maggie, Hard Times, Dickenson County Breakdown, Little Birdie, Clinch Mountain Backstep, Train 45 and more. If you are

a banjo picker like me you definitely want to get one of these. If not you still will want one of these to have in your video library. Ralph will be selling these on the road and also at the festival. You can also purchase one through Ralph at this address: Ralph Stanley, RT HC05, Box 576, Coeburn, Va 24230.

MAY FESTIVAL

Well it's almost time again for the big festival up on the mountain at Ralph Stanley's old home place. The 23rd Annual Memorial Blue Grass Festival kicks off this year on May 27-28-29 at the Hills of Home Park between Coeburn and McClure, Va. You don't want to miss this one. Some of the guest with Ralph this year will be Raymond Fairchild, Bill Monroe, Larry Sparks, Stevens Family and many more. Ralph's special Saturday guest will be the legendary Grand Ole Opry Star Tom T. Hall.

Clean mountain air, breathtaking views, and the best in talent makes this festival the best around. There's plenty of parking lot pickin' for all you jammers and music anytime of the day or night. Ralph always has excellent talent lined up and you'll even see him stroll through the campgrounds to say hi to everyone.

There are plenty of area motels in case you don't want to camp at the festival site under the mountain stars. For all you happy campers that do

want to camp there is plenty of room and electric hook-ups on a first come first serve basis.

For all you members who haven't been before it's not hard to find. There's plenty of people who can tell you how to get there and people to help you out when you get there. There are also plenty of signs directing you to the festival site.

There is a big open shed in front of the stage to keep you out of the weather in case the rain comes and listens to a little music and to keep Mr. Sun from cooking you. You can still visit the old stage down in the holler where Ralph and other guest made music, or you can visit the family graveyard where Carter Stanley and Lucy Stanley (Ralph's and Carter's mother) are laid to rest. So pack the instruments, don't forget the kids, bring the mother-in-law, and don't forget the lawn chairs cause it's gonna be a foot stompin' banjo pickin' time up on the mountain that weekend. Be sure to stop by Ralph's record table and buy the latest in CD's, tapes, t-shirts, bumper stickers, and other memorabilia. Make you plans now and don't miss it! See Ya'll There!

Jeanie is a daughter of the late Carter Stanley, and is also, of course, Ralph's niece. She is entering the field of mountain style bluegrass music and will appear at this year's May festival with her own newly formed group. Members of the group are Jeanie Stanley, (vocals and guitar), Al Domingue, (vocals, guitar and bass), Bob Kalben, (banjo) and Verlin Sanders (fiddle).

Jeanie is dedicated to carrying on her father's and Ralph's tradition and has done a fine job of learning and organizing her father's music. She has a strong, clear, effective voice and Al's mountain style harmony singing really brings this out. Bob is an excellent Stanley Style banjo player, a must for a mountain style bluegrass group. Verlin is a fine fiddle player and no stranger to most fans, having worked with Carter and Ralph in years past. A name for the group is still under consideration at this time. I believe that those of you who prefer the mountain style of bluegrass will understand and appreciate Jeanie's efforts and really enjoy her show this year. Jeanie will perform on Saturday at Ralph's Stanley's 23rd Annual Memorial Blue Grass Festival on Smith Ridge.

IN MEMORY

Sympathies go out to Jack Cooke and family on the loss of his brother-in-law, Claude Roberts, in March.

MOUNTAIN MEMORIES

This issue's Mt. Memories comes from Ernie Thacker.

I remember back about three years ago, when we played in Pettersburg, Mi. and we were on the stage, there was a big, big crowd, people as far as you could see just about. Well the MC told Ralph we had time for one more song, so Ralph decided instead of doing a song, that he would have a dance contest between the Clinch Mt. Boys.

Well it started with Ray and then Hank, then it was my turn. When I started to dance I did pretty good for a couple of seconds and then all at once I lost my balance and down I went. When I fell I just kept playing on my guitar and the people went crazy.

I guess that was one of the memorable and embarrassing times I've had with Ralph, so to make a long story short I won the dance contest.

I hope to see you all at the festival on the Mountain and keep those cards and letters coming, we love hearing from you. Take care and God Bless! Cheryl Sexton

FROM THE DESK OF HOPE RANDOLPH

Dear music lovers (Ralph Stanley that is),

Not much to tell a story about this time, except I, like you, have been following the mounting excitement and news

about the new CD, Saturday Night-Sunday Morning.

Ralph is really busy with interviews, radio shows and magazines articles. There should be some news in Music City news in the next three issues, we've been told by those folks.

By the time you see this Ralph will have made an appearance at the Station Inn, April 21st. We're looking for a lot of folks who were on the new CD to be there.

I saw them in Tompkinsville, Ky April 10th. There was a full school house. It gave me the feeling of how Ralph and Carter used to play at old school houses, no air conditioners, just kinda in the rough. They loved them in Tompkinsville. The sponsors of that show in Old High School is Bob Glover. He has bluegrass every Saturday night. Be sure to go see some.

Don't forget to listen to Harl Hensley's bluegrass show every Monday night from 6pm - 9pm on WSM AM 650. Their number to call is 1-800-637-1718. Harl loves and promotes bluegrass music. Give him a call and request your song and be sure and write to him at WSM Radio, 2644 McGavock Pike, Nashville, TN 37214 and let him know you appreciate the love, time and planning he puts into each show, because of you, the bluegrass music lover and - he likes it too!!

We'd like to welcome new fan members Everett Davis, of Russell Springs, Ky - Bobby Salcup, of Burkesville, Ky. They were two of the people
